

New..... "Slide - Out" Keyboard Shelf

We are proud to introduce the new Slide-Out computer keyboard shelf for our "Plan Series" Consoles.

- 1) 27" wide x 9" deep x 2" high. Enough space to accommodate almost any computer keyboard and mouse (or trackball).
- 2) The slide mechanism is rated at 95lbs, slides out smoothly and retracts automatically when inward pressure is applied.
- 3) The shelf is over 1" thick MDF and has a black powder coated finish.
- 4) Shelf extends a full 9".
- 5) This assembly can easily be retrofitted to our "Plan A,B,C,D,E or F" Consoles. (excluding consoles with the optional "Drop Down Fixed Keyboard Shelf").
